

Power Shift: Hunting the Bounty Hunter beneath Haunted Alaska Skies (A Charming, Alaska Paranormal Romance Adventure Book 1)

An Amazon Bestseller in Ghosts A mystery hovers around the Haunted Bear Glacier near the remote town of Charming, Alaska. Town manager Chia Petit is determined to solve it. There's nothing she loves better than a good Alaska adventure--when she's not obsessed by her sexual needs or her obedience to rules, that is. Hindered by her annoying practical joker vampire roommate, helped by her happy-go-lucky dog shape shifter best friend, Chia has more than a few challenges ahead. Saddled with six stupid ghosts - the demons of past transgressions - as her constant companions, keeping the town of Charming safe and law-abiding should be her only worry. Not so. When Hung Durand, ultra-sexy bounty hunter and shape shifter extraordinaire comes to town, with romance on his mind, all bets are off. His tantalizing presence makes her adherence to rules vaporize as she contemplates shameless, naughty acts with the outlaw. The sharpshooting gal is prepared for bloody battle, the likes of which neither Hung nor Red Mountainbear, a blowhard, money-grubbing conservative from Fairbanks, has ever experienced. Her mission is to keep the peaceful, shape shifter refuge out of the clutches of those that would just as soon destroy it as they would mine it to fatten their wallets. Will Chia lose her town to those with dollar signs clouding their judgment, or will her undeniable, wanton attraction to Hung distract her efforts? Or, worse yet, will her vampire roommate take his crazy pranks too far, resulting in her untimely death? Find out in this humorous, Alaska paranormal adventure. Interview with the Author: Q. What makes this urban fantasy unique? A. Possessing a love of adventure myself, I love to craft stories of being in the wilderness and facing the challenges that inevitably occur in the great outdoors. I decided to write an urban fantasy series about a remote town called Charming,

Alaska. The town is populated by fishermen, hunters, and quirky town folk, as well as a wide variety of shape shifters and a vampire or two. The Charming, Alaska adventure romance series is a great blend of adventure, suspense and tantalizing romance, with the added fun of paranormal fantasy. I've added my own quirky preferences making this an enjoyable, exciting read. Q. So, do you plan on writing more Charming, Alaska adventures? A. Yes! Initial feedback from this first book has been overwhelmingly positive! I'll definitely tell more tales of adventure and romance in Alaska.
