

## Who Is the Bride?

Did you ever wonder why the Church struggles to walk in the blessing of the Lord that is promised in Scripture? Have you questioned why the Church grapples for relevance in the culture where evil is running amok? The Lord promised that those who bless Israel will be blessed and those who curse Israel will be cursed. The Church must understand the biblical mandate to appeal to the King of kings for the salvation of the Jews. The inclusion of the Jews as a part of the bride of Christ will lose blessing and favor of the Lord on the Church. After Esther appealed to King Xerxes for the Jews, the heart of the king changed! He gratuitously approached Esther to give her any petition that she wanted even before he knew if she had a request! This will be the status of the Church when the Church appeals to the King of kings for Israel to be loosed from the vile attack of Satan that would seek to destroy her. Jews do not have to be Christians to be saved. They only have to believe and accept Yeshua as their Messiah. The Apostle Paul shows that the Jews do not have to stop being Jewish to follow Jesus. This revelation is transformative for both Israel and the Church. This book will change the future of the Church! Dr. Laura Henry Harris is an attorney who left the practice of law to pursue a relationship with the Lord and to be at his disposal. She later obtained a Masters of Divinity from Asbury Theological Seminary and a Doctor of Ministry degree from United Theological Seminary. The Lord revealed this work to her with a call to inform the Church of the mandate which has been hidden in scripture until such a time as this.
