

Fearless (Soulshifter) (Volume 1)

I hated this life I found myself in and yet I had no choice but to carry on living it. Lost. Confused. Alone. Forever separated from my own kind. Murdered at the hands of her king and former lover, djinni Zip finds herself stripped of nearly all her powers and trapped inside the mortal body of a teenager. She finally knows what it is to be human, but it might be the last thing she wants. Especially with a killer stalking the halls Swallowing hard, I held his gaze. I wasn't sure if I was daring him or defying him. Maybe both. Mick Egan is determined to make his life count for something. Getting clean was one thing. Discovering the secrets of a girl like Zip is another. If he was smart, he'd run like hell, except he's not about to leave her alone to face a murderer.
