

A Leap of Faith (Lexi) (Volume 2)

Lexi is in uncharted territory as her steady relationship with Alex develops. Their passion shows no signs of waning, but the road is by no means easy. While Lexi loves Alex, she struggles to retain her individual identity while being a partner in a high profile relationship. On her first international tour as Power Stations publicist and Alex's official girlfriend, Lexi is initiated into the crazy lifestyle of life of a rock-star. Despite all the pressure, Lexi realises that their relationship is worth fighting for and she no longer wants to be alone. In order for her to move forward with Alex she needs to reconcile her past and exorcise some demons that she thought were best forgotten. Is their love strong enough to survive the tests that family, distance and time provide?
