The New York Times bestselling author of *The Valentine's Arrangement* continues her sizzling series with a new novel of a plan that goes awry in the arms of a soldier....Picking the wrong men is a talent Meagan Mitchell has perfected. She's sweet, confident, beautiful and single. With her thirtieth birthday sneaking up on her, she needs a new plan. No more Mr. Wrongs or Mr. Bads. It's time to find Mr. Safe....Army captain Reed Porter lives for the thrillan Airborne Jumpmaster with a rush addiction. He's sexy and playful, and he quickly tempts Meagan with his rich Southern drawl and sinful looks. But slowing down and settling down are not on his agenda, making him exactly the type of man Meagan wants to avoid. As their undeniable attraction heats up, Meagan has to decide if she's willing to risk everything on a chance at love with a reckless charmer. Is she brave enough to bet her future and her heart on Mr. Thrill? Or will Reed finally learn that the feeling of a safe landing is just as addicting as the rush of the fall?
