

Feral (Once Bitten Twice Shy Series Book 1)

Thaleia Llorente isn't afraid of the dark, and doesn't believe in the supernatural, but when an incident during a party on Halloween night sends her fleeing into the woods in search of seclusion, she'll come face to face with one of the creatures she had thought lived only in myths and legends. Bitten, she'll need the protection and the help of Icarus Quirinus, her newfound and loathed alpha, to guide her through her transformation and descent into the dangerous world of lycan. Despite his constant need to dominate her, she feels an irresistible and undeniable attraction to him, but can they look past their differences, or will the secrets he holds and her refusal to cede, drive them further apart?
