

An Impossible Gift: A Short Story (Tales from the Vampire Underground Story #2)

Previously published in the A Very Alpha Christmas Paranormal Romance anthology.

When car trouble coupled with a snowstorm strands med student Ellie Bradford in a Texas city on her way to visit her sister in New York for the holidays, a chance encounter with the handsome and intimidating owner of her hotel and a brush with danger reawakens old ghosts about a childhood incident that has haunted her for years. Ellie is sure she's never met him, so why does he insist that she seems so familiar? Part of a series of standalone steamy romance short stories/novelettes chronicling the first forays of humans into the secret world of the vampires that live in plain sight within various cities. It contains strong adult content and language.
