

the Fight

This book is recommended for readers 18+ due to sexual interactions and strong course language. Hank Jones is about to endure the fight of his career. Preparing for this night his entire life, there's only one thing standing in his way of a knockout victory...her! Taryn Morris, the daughter of Hanks trainer, recently moved back home after graduating college. The tomboy that left town four years ago is not the same girl that has now walked back into his life. Growing up together through their adolescent years, there was never an emotion or physical connection between them. Now, years later, Hank can't seem to get Taryn out of his mind. Can Hank ignore this magnetic pull to focus on his fight or will he risk it all for the biggest fight of his life...for her?
