

## Fighting the Flames: (New Expanded Release) (Firefighter Romance Series Book 1)

Passion, Fear, Trust Three years ago, Jessie Taylor had the best summer of her life. She ran from her cheating boyfriend, taking time for herself. She escaped to her familys beach house in Cape Cod to lick her wounds and heal. She vowed to never open herself up like that again. Never trust anyone but herself. Then she met Ryan James, the sexy firefighter next door who set her on fire with just a touch. They melted together, soothed each others hurts. She felt too much. It scared her. She ran. Now, Jessies still alone and her entire life has gone up in flames. Its a miracle shes even alive. Fate can be kind or cruel. It can give a gift and then take it away. Jessie tried to run from fate her entire life. There would be no running from it this time. Fighting the Flames is a standalone firefighter romance novel.
