

## Internet Success for Beginning Entrepreneurs: 7 Secrets Revealed

Reviews I wanted to start an internet business, but I didnt know anything about computers, the internet, or business. I am sooo glad I found this book! I read the first book in the series Internet Success for Beginners and now Im ready to graduate to this next step ... Internet Success for Beginning Entrepreneurs. Jason Blackwell, Novice Entrepreneur and Recovering Techno-phobe A true guide for novice and expanding entrepreneurs. Whether you are a techno-phobe or techno-dummy who wants to start an internet business, but havent got a clue where or how to begin ... or you are actually computer savvy and are just looking for new, innovative ways to create an internet business ... This book introduces you to some very exciting and do-able internet business possibilities and walks you through exactly what you need to do to set them up, showing you the simplest, easiest, and most inexpensive (in some cases, even free) ways to do this. It even gives you websites, phone numbers and contact information for all the online resources you will need to do this. How great is that?! So what are you waiting for? Get started now, setting up your own successful internet business. You can do it. This book shows you how.
