

Finding Fire: Paranormal Romance (Bad Boys Of The Underworld Book 1)

She knew they existed. But now the truth is more terrifying than she realized. When Anna sets out to discover the truth behind the tragedy she witnessed, she's unprepared to uncover a world of danger and mystery. As she comes face-to-face with a vengeful, but sexy and intoxicating vampire that proves she was right all along, she realizes that there's a fine line between myth and reality. Nicolas has no patience for meddling and annoying mortals. After realizing that Anna just might have the answers he's been searching for, Nick decides to use Anna for his own personal gain, putting her fragile life on the line. However, as her calming and irresistible presence overcomes him, Nick is forced to choose between revenge for the past and allowing Anna to be the light in his darkness. But can he find a way to have both?
