

Finding You

If Grace Johnson knew one thing at all, it was that all men were dirt bags. All men...except Noah. I was lost in his eyes. Lost in his tears. My goal was to pull him out of the darkness...if even if it dragged me in as well. If Noah Bennet knew one thing at all, it was he needed Grace Johnson. Needed her...desperately. My pain was pulling me under...she was my only saving grace. Grace is willing to put everything on the line to help bring back the man she is hopelessly in love with. Even if it costs her the future shes been longing for. If finding you means losing a part of me...Ill do it. Finding You is Book 4 in the Love Wanted in Texas series.
