

Bodyguard (Bad Boys In Big Trouble Book 3)

The baseball stadium is torture for Chloe Wakefield, from the noisy stands to the slimy man her colleague set her up with. Too bad she isn't with the sexy stud seated on her other side. He shares his popcorn. Shields her from the crowd. And, when the kiss cam swings their way, gives her a lip-lock that knocks her socks into the next county. Goodbye, vile blind date. Hello, gorgeous stranger. Staying under the radar is pretty much a job requisite for bodyguard Deke Langston, but he can't resist tasting Chloe's sweet lips. Nor her sexy invitation into her bed, where the sensuous little virgin proceeds to blow his mind. But someone doesn't like how close they are getting. The thought that scares Deke the most is that another woman in his care might be hurt because of his past. All of Deke's skills are put to the test as he and Chloe race to solve the puzzle of who is plotting against them. Chloe is in danger, and Deke has never had a more precious body to guard.
