

Make You Burn (The Deacons of Bourbon Street)

Meet the Deacons of Bourbon Street, bad boy bikers who are hell on wheels and heaven between the sheets. Megan Crane revs up an irresistible new series co-written with Rachael Johns, Jackie Ashenden, and Maisey Yates. Sean Ajax Hardings oaths are inked into his skin. Once second-in-command of the Deacons of Bourbon Street motorcycle club, he left New Orleans to protect the brotherhood, and only the death of his beloved mentor, Priest Lombard, could lure him back. Walking into the old hangout gives him a familiar thrill especially when he gets an eyeful of the bars' delectable new owner. A wild ride with her is just the welcome Ajax needs. Then he realizes that she's Priest's daughter, all grown up and totally off limits. Sophie Lombard loved her father, not his lifestyle. She's done with bikers ... until Ajax roars into town arrogant, tough, and sexy as ever. And although he treats her like the Catholic schoolgirl he once knew, Sophie's daydreams tend to revolve around sin. With the very real possibility of heartbreak looming, Sophie knows better than to get too close to an outlaw. But every touch from Ajax is steamier than the Louisiana bayou and heat like this may just be worth getting burned. Praise for Make You Burn If you are looking for a hot and dirty read in the motorcycle club genre, then Megan Crane is a new voice to follow. Her characters are gritty, unapologetic, and led by their animal instincts, whether in war or love. Heroes and Heartbreakers Launching a biker-themed contemporary series, Crane piles on the passion and danger... This tough and dirty world is fascinating and satisfying in its own way. Publishers Weekly There's hot and then there's smoking, and Megan Crane's start of the Deacons of Bourbon Street series is the sexiest thing I've read in a while... read. I sunk deep into the story and enjoyed every minute of it. Guilty Pleasures Book Reviews Theres heat, emotion, mystery, suspicion and danger coating every page in equal measure... .
