

Fireside (The Lakeshore Chronicles, Book 5)

Dreams come true with Susan Wiggs Kim van Dorn was living the dream. The best publicist on the West Coast and girlfriend of a star it all seemed too good to be true. There was just one catch: it was. Now that Kim's perfect life has imploded she flees to Willow Lake to start over. With no career and moving back in with her mother, Kim is afraid of what the future might hold. To protect her heart she vows never to let another man in and then sexy baseball player Bo turns up and challenges all her rules. A fresh start and a supportive community are just what Kim needs to push her into a bigger and better future. While she's making a new life for herself, Kim must learn to leave the past in the past and that risking her heart won't always end in disaster. Perfect for fans of Cathy Kelly
