

## Firestorm Forever: A Dragonfire Novel (Volume 11)

This flame will burn for all time Three key firestorms mark the culmination of the Dragons Tail Wars, pitting the dragon shifters known as the Pyr against the evil Slayers. The Slayers have struck a blow against mankind, in bringing a pestilence from the ancient world, which is spreading like wildfire through the human world. Sloane Forbes, the Apothecary of the Pyr, knows it is his duty to find the cure, but the solution is elusive, his beautiful neighbor is distracting, and time is running out. In moving to a remote farm in the California hills, Samantha Wilcox has left her demanding career behind by choice and on principle. Its too painful to remember her own failures as both mother and physician, and not a point of pride that she fell short of the measure, so shes determined to start fresh. Shes going to live differently, following her instincts and savoring lifes pleasureslike the hot sex with no commitment offered by her mysterious, sexy neighbor. Hes no more of an herb farmer than she is a tarot card reader, but Samantha is determined to keep their illusions intactat least until she discovers not that Sloanes one of the Pyr, the dragon shifters are responsible for the epidemic that stole her sons life. When the firestorm sparks between these estranged lovers, can Samantha resist its dangerous attraction on principle alone? As Slayers and Pyr gather for the final battle, can Samantha and Sloane work together to save the world and build themselvesand their respective kindsa future?
