

## Original Sin (The Alexandra Jones Series #2)

Original Sin is book two in the Alexandra Jones series, the sequel to First Bitten. Alex has run. Leaving everything she knows and loves Nathan, behind. Shes a fugitive; hiding from the Original Varcolacs who want to claim her for themselves. Hiding in Italy, she has changed her identity and her appearance; working in a coffee shop in the quiet town of Sassano. Then Zeff steps into her life. Hes solid, sturdy, but more so hes human hes someone real, tangible, a friend throwing her a lifeline in a world of loneliness. Believing shes safe from attack, nothing prepares Alex for whats lurking in the woods, on her doorstep, intoxicating her into a web of control and deceit. Danger is closer than her shadow ... the hunt is on again, forcing Alex into the hardest dilemma yet. Praise for First Bitten, the first book in the Alexandra Jones series: The ending - god what an ending! Its so emotional I think I spiraled for a while, unwilling to let it go. As a reader, hooked from the first chapter, Im prepared to send death threats to get a sequel to this novel. There MUST be more, I need more! Poppet, author of the Pravus series and The Gods and Thurs series. So much happens that you just want to know, What happens next, Will everything work out okay , WHY! and to top it off the ending has a cliffhanger that has you saying, Thats it?!?! It definitely leaves you wanting to read the next book. Marie, Paranormal Reads. Im ultra-excited to have found such a brilliant new series! First Bitten is Book 1 in The Alexandra Jones Series and I devoured it in a day. I dont want to give anything away, so all Ill say is it has all the elements to make up the perfect urban fantasy: a very real and sympathetic main character, a terrifying supernatural situation and the hottest love interest you could imagine! Shalini Boland, author of the Marchwood series and Outside.
