

First Plane (The Hayle Coven Novels Book 10)

Syd is home for a well-deserved Christmas break and the whole family has gathered for a happy holiday. But when Harry shows up to tell his daughters their paternal grandmother wants to meet them, Syd and Meira eagerly leave for the demon plane with a mix of excitement and nerves. Their long-delayed family reunion is really a disguise for political games that put both of their lives at risk, forcing the Hayle sisters to fight for the status theyve been granted by the woman who Rules everything, and wants what she cant have Syd.
