

Flirting with Sin (A Noble Pass Affaire)

Flirting with Sin by Naima Simone Ari Sincero is running away. Running from the grueling touring schedule, the recording labels demands for more music, the constant pressure of being the lead singer of one of the worlds most famous rock band. Hell, he needs a vacation. Maybe then he can breathe, possibly write his first song in three years, and oh yes, drink himself into an oblivion so he can forget the guilt relentlessly dogging him. The best laid plans Blackmailed by her evil twin into a vacation she doesnt want, loan officer Neveah Morgan arrives at the hotel in Noble Pass, Colorado, questioning her career and horrible choices in menand ends up playing roomie with a rock star. With his sexy tattoos, body that wont quit and eyes full of secrets and pain, Ari practically flashes Caution: Danger Ahead. Falling into the bed of a rock star is crazy. Falling for him is even crazier. Especially when hes in love with a ghost and intends to return to his world of rock n roll and meaningless sexa world she doesnt fit in. Maybe what happens in the mountains should stay in the mountains. Unless it means losing the love of a lifetime
