

Following Christ: Experiencing Life the Way It Was Meant to Be

If you want your life to count for Christ, and if you want to become an integral part of Gods kingdom in the world, you dont have to be a great leader - just a good follower. Author and president of the Moody Bible Institute in Chicago Joseph M. Stowell explains that Christs command to Follow me isnt merely the starting point of Christianity. In fact, its the very heartbeat of vibrant, effective faith for all believers, not just a few special leaders. In Following Christ, Stowell cuts through the side issues of Christianity to reveal its true, compelling object: Jesus Christ. Let yourself discover a dynamic and refreshing way of life and a new, joyous, growing closeness with Christ.
