

## For Adriano (Chicago Syndicate Book 3)

Adriano Montesis life has always revolved around women, his family, and the Chicago Syndicate. As a Capo and Luca DeMilianos right hand man, hes one of the four highest ranking men in the organization, and hes fought many to maintain his position. Adrianos current assignment is locating Camilla Guillermo, the one woman whos captured his attention beyond a simple fuck. He and Cam have a history together that no one knows about, and now that shes disappeared, hes eager to find her and discover her sordid past. What might seem like a routine mission has become an obsession for Adriano. Italian beauty, Camilla Guillermo, is lost and alone in the world. Running away from a past that haunts her and the man that deceived her. But wherever she goes, Adriano is always with her, always in her thoughts. Out of money and out of options, Cam has no place to turn but back to the Loop, back to the one place she wants to avoid. When Adriano finds Camilla, everything between them will change. No matter how much they are drawn to each other, Cam is now off limits by bosss orders. And in the Chicago Syndicate, you dont defy the bosss orders unless youre prepared to live with the consequences. A romantic suspense.
