

The Love Resort

Famous novelist Anne-Marie Langdale thought that living at the couples-only Caribbean resort she created would inspire her. But instead the Queen of Romance appears to have writers block. Convinced that attracting gorgeous young guests like the heroes and heroines in her books will get her creative juices flowing again, Anne-Marie runs a competition: three head-over-heels couples will win an all-inclusive fortnight at The Love Resort. As the beautiful competitions winners arrive, so too do Hollywoods hottest newly-weds, looking for a honeymoon hideaway from the worlds press. With such romance in the air, and all this publicity, Anne-Maries next novel looks set to be a huge bestseller. Except that none of the guests are quite what they seem. Theres going to be trouble in paradise as the sun heats up, the cocktails are poured and the truth starts to emerge Sun, sea, secrets and scandal are the recipe for this irresistible novel from the wickedly funny Faith Bleasdale.
