

Forever My Love (The Forever Series Book 4)

Winner of an Olympic silver medal, Mackenzie Bradford is expected to win gold the next time around. Her career is shattered along with her hip, leaving her lost and bitter. Knowledgeable, brash and oh so handsome, veterinarian Joel Springer has had disappointments of his own particularly with little rich girls like Mack. With Macks personal life falling apart, can Joel convince her to focus her strength and determination on a new career, and will she forgive him when she finds out he isnt quite who he pretends to be? Each book in the Forever series focuses on a woman at a crossroads in her life. These romances contain no graphic sex, but instead focus on the womans story, and how her journey leads to love. Novella-length at between 32,00-44,000 words, they are complete stories, and may be read in any order. Enjoy!
