

Forsaken (Fall of Angels Book 2)

Its been four months since Alex gave everything to save Jessica. Life should be perfect; she has Alex, shes been freed of the nightmares, and most of all- shes alive. But some things have changed, some things havent. Thats the problem. Alex still hasnt asked the question. Jessica cant see the reason why and its tearing her apart. Hes keeping something from her. Alex isnt the only one who has changed though. Something is different about Jessica but she doesnt understand whats happened. She just knows somethings wrong, that she feels different than she used to, on a skin deep level. And it may keep her and Alex apart. Forever. But while Alex and Jessica struggle to stay together, Cole is not about to be forgotten. There are a few things he didnt tell Jessica, about his past and her future. There are reasons why he came after her, reasons that are tied to his history that is darker than she could have ever realized. The entire Fall of Angels series is now available.
