

Found (Assassins Revenge Book 1)

In the world of paid killers, vulnerability is dangerous and love will get you killed. For many years, Ellie has trained to be an assassin in order to kill the men who kidnapped and raped her when she was eighteen. Nothing else has been allowed to interfere with her mission. But when she meets the sexy and mysterious Alexander Hamilton at a bar, her tough facade crumbles, and she can't help but be drawn to him. Alexander Hamilton lives by his own rules and has his own hidden agenda. When he sees Ellie, he knows he wants her, though he knows he can never allow himself to have her. One night is all that is permitted. However, Ellie and Alexander are hiding secrets from each other. Their worlds are about to intersect and the secrets they keep might end up destroying both of them.
