A smoking-hot prequel to Jennifer Bernards fabulous Bachelor Firemen series. If you love the novels of Rachel Gibson and Bella Andre, then this is for you! Kirk, a.k.a. Thor, one of San Gabriels infamous Bachelor Firemen, certainly lives up to his nickname. Hes tall and handsome, with a chiseled body worthy of any Viking god. But hed give it all up for one glance from her. Sweet, shy Maribel has no idea that Kirks been pining for her. Theres nothing hed like better than to sweep her off her feet and show her just how exquisite their love could be. But Kirk has a secret, and he wont let anyone get close, least of all the sexiest woman hes ever met. Can a feisty little dog and an even feistier little boy help these star-crossed lovers find the passion they both so richly deserve?
