

Fox Among Wolves (Hostage) (Volume 1)

Ginnys dad had great advice about facing devils head on. Think about the worst thing that could happen and figure out why youre afraid. Get past that and the rest is easy. There was no doubt about her worst fear. Alone in a house with six men, all of whom had just ogled her naked body, it was a complete no-brainer. When Ginnys Saturday night bath is interrupted, and her uncles house is invaded by the supposed victims of a car crash, the outcome might appear predictable. But nothing is as expected, including the uncle she thought she knew. Ginny endures their attentions as each one is distracted from their covert task, but she seems to have fallen for the rottenest apple in this particular barrel. With a spicing of international intrigue, blackmail and a bent ex-soldier, Ginny needs every ounce of wit and courage to survive the long weekend of simmering tensions.
