

Frayed (Penny Black Book 2)

Ever since she arrived at the New Society School, Penny Blacks life has been unraveling. And lets face it, things werent going so bueno to begin with. Along with her new found abilities, relatives, and boyfriend, Penny has gained a whole other set of problems and even more reasons to run. Yet, she finds she cant leave her new life behind. Elle needs her to help solve a mystery. Kai is relying on her to save him. Wyatt wants her to love him back. And someone is working to make sure none of these things happen. *The Penny Black trilogy is a companion to the Zellie Wells trilogy and not a continuation of the series. *Due to language and sexuality, FRAYED is recommended for older teens.
