Braunwyn Four years ago, losing the love of my life almost destroyed me. Years of being labeled and looked upon with disdain by everyone in my hometown almost wrecked me. Four years ago, I became a mother and together we were enough until I met him. He wanted to rebuild my broken I just didnt know how to let him. This is my story, of how one mans love changed everything I thought I knew about life, love and myself. Can Levi Eddison prove to be my restoration? Levi Everything in my world changed the day Braunwyn Daniels walked into my pub. She was a woman of many contradictions. I recognized the happiness and sorrow each fighting its way to the surface from deep within. I was drawn to her immediately. Behind her long legs, chestnut brown hair and beautiful eyes lay a damaged soul. I needed to change that I just didnt know how. This is my story of how I met a broken girl and vowed to make her whole. In the end, it turns out I knew nothing about true happiness until Braunwyn Daniels let me love her.
