

The Sicilians Stolen Son (Harlequin Presents)

At the Sicilians bidding and bedding! The only link Jemima Barber has to her troubled late twin sister is her nephew. So when the boy's father storms into their lives to reclaim the child that was stolen from him, Jemima lets the forbidding Sicilian believe she is her smooth seductress of a sister. Though his son's mother might be gentler than Luciano Vitale remembers, he's resolved to make her pay in the most pleasurable way imaginable. But when he discovers she's a virgin, her secret is out! Now Luciano has a new proposal: Jemima can atone for her sister's sins by becoming his wife!
