

## Free Kindle Fire Educational Apps For Kids (Free Kindle Fire Apps That Dont Suck Book 8)

COMPLETELY UNIQUE APP RANKING SYSTEM! I have gone through a number of books like this one, and most of them are pretty much the same. This is the one you want Personally, I will check out any book this author writes about apps because, for some reason, maybe a bad case of OCD, he is obviously compelled to do the most thorough investigation into each and every aspect, good and bad of apps in a particular genre. My hats off to him, and he has my thanks for saving me a ton of time and grief. - Linda Abbott (Reviewer) Experience over 200 Pages of In-Depth Reviews, and Tips and Tricks to Help You Get The Most Out of Your Free Educational Kindle Fire Apps For Kids Question: Why Do You Need This Book? Answer: Because you have better things to do with your time than to trudge through the Amazon App Store and test tons of apps until you find the best ones Question: OK. But Why Do You Need To Buy THIS Book? Answer: Because you need more than just some random list of Top Kindle Fire Apps. You also need: To know which apps to download first Tips and tricks for how to get the most out of the apps How to find help if youre having a problem with an app An in-depth review describing what is good and what is bad about each app Problem: Even if you have a list of the top free apps, how do you know which ones to install first? Solution: At the end of this book, all the apps are ranked from best to worst according to a COMPLETELY UNIQUE RANKING SYSTEM FOUND ONLY IN MY BOOKS Question: How Else Is This Book Unique? Answer: In addition to its unique ranking system, it also offers in-depth reviews that provide the following: A summary of what the app does A summary of what is good and what is bad about each app When available: The app developers contact information, website information, as well as links to

pertinent articles about the app Tips and tricks for many of the apps (how to get the most from the app) A brief summary of the positive and negative reviews of the app on Amazon Question: OKBut What Types Of Apps, Exactly, Does The Book Include? Answer: A great variety of educational apps Apps for toddlers Apps for preschoolers Apps for elementary schoolers, AND Apps for high schoolers In the following categories: Art apps Book apps English apps Language apps Math apps Music apps Reference apps, AND Science apps A Note from the Author: My aspiration was to make this book the very best resource of its kind. To that end, I put a great deal of time and effort into researching and writing it. I really hope youll find it useful! PLEASE NOTE: This book is an abridged version of my magnum opus (nearly 800 pages long!): The Complete Free Kindle Fire Apps. (Also, some of the contents of this book may be found in one or another of my other books, too.) If you think you might be interested in more than just the best free Kindle Fire apps for kids, you might want to consider checking out my magnum opus first.
