

Old Ghosts: Gypsy Riders Motorcycle Club

OLD GHOSTS DIE HARD Leaving the past behind is never easy, so Daisy Sinclair didn't expect a smooth road when she jumped in her truck and headed West to escape an abusive relationship. She prepared herself, and she grew stronger by the day, ready to face her past full-on when the time came. As the President of the Gypsy Riders MC, Mike Montgomery spends his days preparing for the worst case scenario. Bold, daring, handsome and dangerous, he's exactly what Daisy doesn't need in her life. But how can a girl refuse a deliciously seductive man that's slathered in tattoos, wrapped in leather and promising her the ride of her life? When the past finally catches up with them, they're forced down a road they never could have predicted. Will their love give them the strength to survive the dangerous insanity of a madman's plan? Or will their future explode before they can even begin?
