

Fresh Faith

One thing moves God: faith. Not doctrinal savvy. Not willpower. Trust in God alone stirs him to move miraculously on our behalf. Time and again, Jim Cymbala, author of Fresh Wind, Fresh Fire, has seen the power of faith displayed in the lives of the ordinary people in his church, and in his own life. He has seen drug addicts and prostitutes set free, marriages restored, and sinners transformed by the love of Jesus Christ. All through the kind of radical, living faith described in this audiobook. Hear about it and discover how fresh faith can change your life, too.
