

Freya & Giselle: The Complete Collection (SapphiConnection Collections)

The SapphiConnection exists to bring like-minded women together for fun and relaxation. Find your hot date for the night and fulfill all your mutual whims: nothing is forbidden, no attractions laughable, and most of all, your satisfaction is guaranteed. Finally, all five parts have been brought together in one collection! This 30,000 word collection includes: Part 1 Studio art teacher Giselle knows how to get her kids back in class - give them a live model to draw! She posts an ad in the SapphiConnection classifieds and gets a response from Freya, a young artist who dabs in modeling on the side. Although a seasoned teacher, Giselle was not expecting to fall so suddenly for the confident Freya. She's even more shocked when Freya asks for a canvas of her own... so she can draw Giselle! It's a meeting of artistic minds in a new saga of SapphiConnections sexy testimonies! Part 2 Freya finds herself in the midst of a dilemma many other artists would kill for - she's been invited to showcase her artistic works at a respected gallery, but she doesn't know what to put in it! Always wanting and never satisfied, Freya turns to new friend (and maybe something more) Giselle to help create her next masterpiece. All they need is some body paint, a large canvas, and absolutely no inhibitions! Part 3 It's opening night for a show at a gallery, and Freya has invited Giselle to go with her. After meeting the trendiest people in the art community, Freya confesses that she's up for something... more. Starting with the janitor's closet in the far corner of the gallery. Poor timid Giselle is about to have her artistic horizons expanded once more! Part 4 One week before her big gallery show, Freya finds herself in a pinch. Not only does she still have a lot of works to complete, but there's one work in particular giving her a headache: a statue with more than one sizable asset. She knows what she wants to do with it to

make an artistic statement. But its going to take girlfriend Giselle to help her see it through to the end - and not just her own!Part 5The night of Freyas big gallery opening has arrived, and Giselle couldnt be prouder of her girlfriend. That is until she finds out what Freya considers to be her piece de resistance - a portrait of Giselle in very exposing circumstances! Can Giselle get over the humiliation? And if she does, will the final piece that Freya wants to create with her be too much to bear?Its the final installment of Freya and Giselles testimony, and its sure to go down in SapphiConnection history as the most downloaded one ever!This work depicts graphic lesbian relations and naughty, naughty words. Not intended for minors or those who get miffed at a lack of men.
