

Frigid Affair

A treacherous winter storm brought him to me. While the wind ripped, freezing everything in reach, he was a HOT distraction, albeit a constant reminder of what I'd been missing. I thought I'd never see him again. I was content with it being a one-night-stand; one I'd never forget. Two long years later I open my door to see him standing there, and the reason he's back will change everything.
