

## From Beneath The Olive Tree: Rewrite Your Stories From This Life and Past Lives

How many times have you made the statement "If only I could go back and do it again."? Regret, guilt and anguish are negative emotions that rule our lives. These emotions become blocks to our wellness, our success and happiness and to our spiritual growth. From Beneath the Olive Tree begins as one practitioner's own journey through many lifetimes as a path to physical healing. Her own need to rewrite her story endings in order to achieve wellness in all aspects of her life evolves into a step-by-step process that can benefit all of us. Whether your blocks were created two hours ago, two decades ago or two lifetimes ago, this simple three-step Rewrite Your Stories process will help you take down your wall and finally allow you access to your deepest desire; perfect health, lasting love, prosperity, Divine purpose, and spiritual transformation. Your life's dream has already come true and is waiting for you just on the other side of your wall.
