

From Invisible To Irresistible: Your Twelve Step Action Plan To Attracting The Man Or Woman Of Your Dreams! (How To Do Everything And Be Happy Book 4)

From Invisible to Irresistible is the shorter, quirkier, but none-the-less completely gorgeous companion guide to How To Start Dating And Stop Waiting. Through a series of twelve anecdotes Peter Jones highlights (and fixes) those underlying problems, that make otherwise attractive charming people invisible to those they'd like to date. Chapters include: Changing Your Mind How you can think yourself more attractive, and why a little back-to-front logic might work wonders. Changing Your Image Why it might be a good idea to cut off your hair (or grow it back), how to shed pounds without spending a fortune, and why hiring a professional image consultant could be a waste of money. Changing Your Environment Why sitting at home in front of the TV isn't a dating strategy, why some of your friends are holding you back, and why it's vitally important to have the right sofa.
