

## Full House

Dear Listener, Ive heard that many of you would like more books that entertain you the way my Stephanie Plum novels do. So my good friend Charlotte Hughes and I have teamed up to bring you a brand-new series of books written in the Plum tradition with fast-paced action, dysfunctional loveable characters, steamy sex, suspense, and lots of laughs. The series is kicked off by Full House, a story I originally wrote and published in 1989 under the name Steffie Hall. Nick Kaharchek senses danger the minute he sees Billie Pearce. She represents everything hes always avoided. Happy in her home life, a divorced mother of two, Billie is the epitome of stability. Shes also irresistibly fascinating to the footloose Kaharchek...in a car-crash sort of way. Their fateful meeting leads to a story filled with seduction and mayhem and, of course, love everlasting. Janet Evanovich This program is produced for mature audiences.
