

Furever Loyal: A BBW Shifter MC Romance (Furever Shifters Book 4)

When a wolf shifter motorcycle club disturbs the quiet of her forest with their illegal activities, curvy bear shifter Cara Bruin vows to get rid of them. All of them, even the one whose burning hot eyes awaken her most feral cravings. Because the sister of the chief of the Northern California bears has nothing in common with some mongrel wolf shifter, no matter how much her bear craves him. Val Stanton dislikes the drug business his pack has gotten into. But a wolf's got to follow his alpha, right? Or so he believes, until the scornful gaze of a certain bear shifter makes him question everything including pack loyalty. What Val knows for certain is he'll never let any harm come to Cara, not even if he has to challenge the pack alpha himself to protect her. A steamy standalone BBW romance for readers 18+, Furever Loyal contains explicit love scenes and graphic language. #4 in the Furever Shifters series. 42,000 words, or about 160 pages.
