

Gambling with Gabriella (Menage MfM Romance Novel) (Playing For Love Book 2)

One desperate poker game, two knights in shining armor. Gabriella Alves is in a bind. She doesn't gamble with her career and she doesn't gamble with her heart, but she can't resist the draw of a good game. In one foolhardy night of underground poker, she's managed to lose almost a hundred thousand dollars - money she does not have. Now, she's in Atlantic City, trying to win enough to cover her debt. Carter Hughes is desperate with worry. His nephew Noah has just been kidnapped by his deadbeat father, and Carter fears for the child's well-being. When Gabriella, who played the starring role in an unforgettable threesome five months ago, appears in the casino he works in, he doesn't need the distraction her presence provides, but he can't resist her allure. Dominic Crawford can't forget the past. Ever since the death of his first love, his heart has been frozen. The threesome with Gabriella and his best friend Carter started a thaw, but in the morning, Gabriella had disappeared. When she reappears in his life, will her presence be able to finally heal an old wound? When the stakes have never been higher, can these three wounded souls gamble to find true love? Note: Gambling with Gabriella is a stand-alone menage novel (mfm) in the Playing For Love series. It is full of steamy scenes featuring a billionaire businessman, a muscled bodyguard and a curvy woman who is afraid to gamble with her heart. Intended for mature audiences only.
