

Serenity Through the Storm (Storms of Life Series Volume 2, a Novella)

Amazon bestselling, award-winning author B. J. Robinson illustrates the power of love in a working mans hands despite the stormy weather of his life. Mark is a construction worker with working-mans hands, strong, calloused, and loving. Mark bent and kissed his new bride. The preacher said, I give you Mr. and Mrs. Mark Kendall. Serenitys sweet features melted Marks heart. His eyes met hers, and he saw the love lights shining for him and knew his eyes must mirror hers. He watched Serenity throw her bridal bouquet, but he didnt care who caught it, since his best friends were married to each other. Vera and Douglass Stevens beamed at them. All the guests clapped and smiled when Ruby Lynn, a waitress from the local donut shop, caught the flowers. Ruby jumped a foot into the air and snatched them. Her smile was ear-to-ear, and she turned and shoved the bouquet of roses at Tim Jones before she warned, You best be getting me that diamond. Were next. Tim stood like a pole bean over petite Ruby, but he bent down to kiss her. When he came up for air, he replied, Congratulations, honey. You know Im going to pop that question soon. Ruby playfully slapped his shoulder, Farmer boy, youd best garden or get out of the field. Tim laughed at her antics, picked her up, swung her around in his twiggy arms, and placed her back on the floor. Mark couldnt help thinking how wonderful young love was. Young love, first love. Hed been there three short years ago. Mark marries Serenity, and they honeymoon in Tennessee. Will Serenity be enough to see him through the life-changing storms that play havoc with his life? A tornado rips through the construction site, and Serenitys red Impala sweeps through the air.
