

Forbidden Bear Obsession (Werebear Shifter Paranormal Romance)

Leanne is a vampire that married into wealth, but since the wedding things have spiraled into a boring pool of nothing. Lashan, her vampire husband, doesn't seem to appreciate her anymore, and everything he said he loved at first is a problem now. She's worked a job for four years that Lashan knows nothing about. It's her bit of freedom, where she can step away from the perfectly manicured lawns and flawless lifestyle of her neighborhood, and be herself in a place where other supernatural creatures exist in harmony. One day a new director arrives at her workplace, a predator, a werebear that makes the hair on her neck stand up, and Leanne's world spins out of control. This man makes her heart beat faster without even doing anything. He makes her feel alive when she was sure she was sufficiently dead already. Her heart is torn between her loyalty as the wife of a rich businessman, and the passionate love interest of a wild man, driven by emotion...
