

GENTLEMEN BASTARDS (Three Billionaire Brothers and a Baby Book 1)

When I took a job at one of the countrys best companies I had no idea Id find myself at the heart of a high stakes mystery involving a billion dollar trust fund and a wealthy familys dark secrets... Three billionaire brothers: impossibly handsome, rich and infuriatingly arrogant. Theyre my bosses and they work me to the bone. When I suddenly found myself at the center of a fierce competition between them, I couldnt help but suspect something was off. The men were determined to claim me as their own and they were willing to pay. They offered money, a promotion, anything my heart desires-- if only I choose one of them. I knew it was too good to be true. The deeper I delve into the familys past the more suspicious I become, but its too late to back out now. Im in too deep and worst of all Im starting to find it harder and harder to resist their charms. Being swept up in a wealthy familys drama is bad enough, but fighting off the desire theyve ignited in my heart may prove to be the greatest battle yet. Authors Note: This full-length, HEA romance novel can be read as a standalone, though a sequel is planned. Enjoy!
