

Perfectly Flawed (A Gentlemen of Worth Book 2)

Finding a husband proves difficult for Lady Charlotte Worth, second daughter of the Duke of Faraday. Charlotte has every desirable attribute of a young Regency miss making her entree into society. Eligible gentlemen cannot wait for her to make her London debut and arrive at her country house, Faraday Hall. They all speak to her of their undying love and promise a lifetime of devotion. But for Charlotte, who sees the good in everyone, this makes the decision all the more difficult. Lady Muriel, the youngest Worth sister, is not convinced by words alone. She plans to put these gentlemen to the test, hoping there is one among them who is worthy of her sisters affection. It will take a true man of quality to look beyond Charlottes exterior perfection and treasure her for her inner beauty.
