

Ruined by the Ultimate Billionaire: A BBW Billionaire Romance (The Billionaires BBW Book 1)

The immovable object meets the irresistible force and something has to give. Danielle the librarian is a young, pretty, vibrant big beautiful woman and she's stuck in a rut. A lifetime of playing it safe has landed her a quiet job, a few good friends, and a series of romantic relationships that have been anything but fulfilling. She always thought that sex was the world's most over-rated past time while keeping her deepest and darkest fantasies to herself.

Until Justin. Justin may be the richest man on Earth; he's a master architect, engineer, and entrepreneur, with more money than could be spent in a dozen lifetimes. Wealth for its own sake no longer excites him, but then, since an untimely death, nothing does. Years of post-traumatic meditation and body-building kept him alive and physically fit, but left an aching void at the center of his being. Until Danielle. Until immovable object meets irresistible force and nothing can ever be the same. 18,000 WORDS: Ruined by the Ultimate Billionaire is a BBW BDSM novella including explicit descriptions of dominance and submissive sexual encounters.
