

## Georgianas Folly & Elizabeths Plight: Wickham Coin Series, volumes 1 & 2

Please note: This book contains two previously published novellas and is a second addition, with special thanks to our new editor Joanne Girard, and was originally published with a different cover.

**Georgianas Folly** In this Pride and Prejudice variation, Darcy enlists Elizabeths aid to help him deal with Georgiana, a tricky task with Wickham in town. An attempt was made to make Wickham as good a man as possible and still be consistent with Pride and Prejudice. This is partly Georgianas story. **Elizabeths Plight** In this Pride and Prejudice variation, Elizabeth rescues Georgiana from ruin, but who will rescue Elizabeth? In Elizabeths Plight, which has more action scenes than in previous collaborations, Wickham is definitely a villain. These two novellas have different interpretations of Wickham, although he is not the main character in either. Both bring Darcy and Georgiana to Hertfordshire, both show another way Elizabeth and Darcy find each other, and both involve Wickham. Together, the two novellas, Georgianas Folly and Elizabeths Plight, make up The Wickham Coin Series.
