

GHOST OF A CHANCE (The Ghost Series Book 1)

When Natalie Scott decides to rent a seaside colonial cottage for six months after the death of her mother, she just wants peace and quiet. Instead she gets a barrel-load of trouble; first from Karl Messer, who won't let her rent the cottage unless she goes out with him; then from her brother, Trevor, who won't let her take his guard dog. But worst of all is the resident ghost, Sean O'Shea, who falls in love with her. And finally from her ex-boyfriend, Rick Dalton, who marches back into her life wanting to take up where they left off. What's a girl to do? Should Natalie run for cover, or stay to sort these four men out once and for all? Word Length; Approximately 59,000 words. The sequel, Sean O'Shea's story, GIVING UP THE GHOST is also available on Kindle.
