

Given (Give &Take)

The emotional rollercoaster of the USA TODAY bestselling Give &Take series by Kelli Maine continues! POSSESSION For Merrick and Rachael, Turtle Tear Island has become their own private paradise with days of unimaginable bliss and sizzling nights in the bedroom-and beyond. But Rachael and Merricks happiness is shattered when his daughter, Nadia, suddenly becomes increasingly demanding of his time and devotion. It soon becomes clear that Merrick will have to make an agonizing choice: the woman whose love saved his tortured soul or the daughter he never knew existed ... REVELATION Rachael cant stand the thought of losing Merrick after everything shes sacrificed to be with him. She had thought she and Merrick were done with secrets, that the passion that burned so brightly between them had forged an unbreakable connection, but she begins to wonder if she ever really knew the man at all. Now the love theyve fought so desperately to protect may not be enough to save them ... Praise for Kelli Maine!
