

In the Mood

Jude Patterson is a sexy but shy romance novelist who discovers the flowery language he's always used in historical love scenes doesn't translate well to contemporary romances. Alyssa Stone is a beautiful fan who offers to help him learn to write better love scenes. Jude is fascinated by Alyssa, whose confident and sensual demeanor conceals a very vulnerable interior. Before long, he's the one showing her how to write love scenes... and maybe even how to write happy endings. Length: Novella, 24,000 words.
