

Glimmer (Zellie Wells Book 2)

Glimpse, Glimmer, and Glow are bundled together in the Zellie Wells trilogy. Zellie Wells life is changing. Her relationship with Avery is growing stronger every day, but their parents are still giving them ultimatums and trying to keep them apart. Her newly discovered powers have all but disappeared. Benjamin, another young Retroact, is back and has brought with him a painful shared vision and a troubled past. While working together to figure out what the vision means, Zellie discovers that Benjamin is a worthy friend and mentor. If only he could keep his hands off of her - if only she wanted him to... ***** This book is intended for older teens. ***** For more information about Stacey Wallace Benefiel and her other works, please visit her website: <http://staceywallacebenefiel.com>
